WORLD FISHERIES DAY

DATE: 21-11-2024

STATION: RAMPACHODAVARAM

As per the instructions given by the Principal of GDC, Rampachodavaram, Department of Zoology in collaboration with Krishi Vigyan Kendra (KVK) Pandirimamidi celebrated World Fisheries Day on 21-11-2024. We, B.V.V.Satish Lecturer in Zoology and N.Ashok Lecturer in Zoology with I and II year B.Sc. Zoology Honours students went to KVK, Pandirimamidi.

Dr.K.Veeranjaneyulu sir explained about the fisheries and scope of fisheries. He motivated the students by giving career guidance.

We all went inside to the KVK unit which is around 20 acres. We observed the spawn unit, Bio Flock unit, Azolla unit and Poultry shed and Goat shed. The KVK unit is filled with special Kadaknath, Janapriya, Vanaraja hens, Vusmanabadhi goats, Fodder varieties, Azolla unit, Culture ponds of fisheries. Students from 1st year and 2nd year B.Sc Zoology Honours students acquired knowledge about the fisheries program. All the students are satisfied by visiting KVK Pandirimamidi.
