

GOVERNMENT DEGREE COLLEGE- RAMPACHODAVRAM
REPORT ON FILELD TRIPS

HISTORICAL TOUR- THE DEPARTMENT OF HUMANITIES

The Department of History organised a historical tour to the students of Government Degree College, Rampachodavaram from 20 December to 23 December 2023. 29 final year students and four staff members have embarked on a journey from Rampachodavaram to Hyderabad, the capital city of Telangana state and once ruled by Nizams prior to India's independence. First place to visit in Hyderabad was SalarJung Museum on 21December 2023. Students were amazed to watch the rare art objects such as stone sculptures, bronzes, wood carvings etc.Followed by, a visit to Charminar, a historical monument located in the old city of Hyderabad. On December 22, 2023, students were taken to Golconda Fort which was built in 11th century and fortified between 14th and 17th centuries. Students were also shown Legislative Assembly of the Telangana State and Tank Bund and took them ride in a metro train from Jubilee Hills to Ameerpet. The tour concluded by returning to Rampachodavaram on 23 December 2023.

INDUSTRIAL TOUR

THE DEPARTMENT OF PHYSICAL SCIENCES AND COMMERCE

The day began with great enthusiasm as the teaching staff and students gathered at Government Degree College, Rampachodavaram. The Principal, Dr. V. Srinivasa Rao garu ceremoniously waved the flag to mark the commencement of our educational trip. The journey kicked off in a bus, and as the wheels started rolling, the excitement among the students was palpable. Continuing our journey, we marveled at the picturesque landscapes, with special mention to the breathtaking beauty of Chaparayi. The thrill peaked as the bus traversed along roads carved on the edge of mountain cliffs, offering a heart-stopping yet exhilarating experience. We reached the enchanting Araku Valley at 4:00 pm. As the day continued, our journey brought us to Vizag, where we checked into the Andhra University Guest House at 11:30 pm. Arriving at Vizag Shipyard by 10:30 am, we delved into a world of maritime marvels. A comprehensive presentation on the history of the shipyard provided valuable insights into its evolution and contributions to the maritime industry. Attendees were captivated by the rich legacy and advancements showcased in the presentation. The visit extended to the Bunker Museum of World War II, where historical artifacts and exhibits offered a glimpse into the naval history during that critical period. The group had the unique opportunity to explore the bunkers and immerse themselves in the wartime narratives.- In the afternoon, we set out to explore the bustling Vizag Port. The sprawling port complex showcased an impressive array of ships and their intricate components. Students had the chance to witness the operational aspects of a busy port, gaining practical insights into maritime logistics. Later in the evening, the group had the privilege of meeting V. Ratna Sekhar Garu, an esteemed alum of GDC Rampachodavaram. The interaction provided valuable insights into career paths, achievements, and experiences, fostering inspiration among the students. The day concluded with a refreshing visit to RK Beach. Students and staff enjoyed the serene coastal atmosphere, and the beach became a venue for relaxation and bonding. The evening extended until 11:00 pm, creating lasting memories of camaraderie and enjoyment.
