Report on Career Guidance Program

A Career Guidance Program was successfully organized by the **Career Guidance Cell of Government Degree College, Rampachodavaram** under the convenership of **Mrs. M. Sivakumari, Lecturer in Computer Applications**. The program was conducted under the guidance of the **Principal FAC, Dr. D. Ravikumar**.

The session was conducted by experts from **KR Institute of Learning, Rajahmundry**, who provided valuable insights into various career opportunities and skill development strategies for students.

Objectives of the Program

The main objectives of the program were:

- To create awareness about diverse career opportunities
- To guide students in choosing suitable career paths
- To enhance employability skills
- To motivate students towards higher education and competitive exams

Program Details

The resource persons from KR Institute of Learning delivered an informative and interactive session covering:

- Career options after graduation
- Importance of skill development
- Guidance on competitive examinations
- Tips for personality development and communication skills

Students actively participated in the session and clarified their doubts regarding career planning, job opportunities, and future prospects.

Outcome of the Program

The program proved to be highly beneficial for the students as it:

- Helped them understand various career paths
- Boosted their confidence in career decision-making
- Encouraged them to focus on skill enhancement

Conclusion

The Career Guidance Program was a great success and received positive feedback from students. The Career Guidance Cell expresses its gratitude to the Principal, resource persons, and all participants for making the program meaningful and impactful.
